

7 – 8 March 2010

3° edition - LE CONTRADE DELL'ETNA 2010

Shalai Resort di Linguaglossa/Cantina di Passopisciaro

On Sunday March 7th at the Shalai Resort in Linguaglossa, the three new cru wines by Andrea Franchetti will be presented. The dinner dedicated to the Press will be a real wine and gastronomic show.

Le Contrade dell' Etna takes place at the Cantina di Passopisciaro, at 1,000 mt. of height. Here all the Etna producers present in preview the wines obtained in the 'contrade'.

On March 8th, starting from 10 a.m.: the journalists are invited to a guided visit to the Etna vineyards, where they could taste 2009 samples directly from the barrel, for each 'contrada'.

Nerello Mascalese will be the protagonist of the event Le Contrade dell' Etna 2010. This varietal derives its name from the Mascalì plain, and grows only on the Etna slopes, where the lava flows of the past have created different kinds of soil. Therefore the grapes of close vineyards are different one from the others. The 'contrade' are in the three commons of Linguaglossa, Castiglione di Sicilia and Randazzo.

At Le Contrade dell'Etna 2010 is possible to taste the following wines from Tenuta di Fessina:

- Etna DOC Il Musmeci vintage 2007
- Etna DOC Erse vintage 2008

In preview :

- Etna DOC Il Musmeci vintage 2008
- Etna DOC Erse vintage 2009

Wishing to meet you during one of these events!
